

CLUB REGULATIONS

Dells International has been built on experience and quality; the main objective is educating professionally all the participating athletes, exalting their talents, recognizing their abilities and recognizing their discipline through knowledge, practice, and following the rules that ensure exemplary behavior on the playing fields and in their everyday life.

These regulations are addressed to coaches, players registered in the club, family of players, guardians, assistants, refs and Dells International employees, in order to guarantee the right functioning and order in sporting events.

1. Players must have a full willingness to attend pre-scheduled practice as well as games and meetings.
2. Dells International Recommend that players and coaches rest in a timely manner before each game in order to have good physical performance.
3. Drink alcohol before or during sports matches is completely prohibited.
4. All players need to bring the necessary implements to play (uniform, socks, shoes, shin guards, etc.)
5. It is essential that each player bring their own hydration (water).
6. Assistants, players, coaches and organizers require proper and respectful language during the game and at the facilities where the games take place.
7. Any attack, discussion or fight will bring sanctions for those involved.
8. Participants must have full commitment during the development of leagues, camps, training or tournaments, the above in order to ensure that the events end successfully and do not harm the other participants of the club.
9. Make correct use of public facilities and spots (fields, bathrooms, parking lots).
10. Players and / or parents agree to make the payments agreed and required by Dells International in order to guarantee the full development of sports activities.
11. Players must have right communication with their coaches / captains and inform in advance when they cannot attend games or training.
12. All the participants must pick up their garbage and make right use of them.

13. The protocols and organizers must know and enforce the controls and policies of the club.

NOTE: Failure to comply with the rules, policies and regulations of the club will bring restrictions or even final expulsion from sporting events, all restrictions will be stipulated by the staff of Dells International Soccer.
